### Yootshoot Facts

In 2000, Jim Caruso was left to play by himself when his teammates pulled out due to cold weather. Waa-Waa!

The "Free Throw" & "Pink Ball" play were instituted in 1993.

The Yoot Shoot evolved from a group of guys and later the Freddy G Jr. Open

## Cup Runneth Over

*New look of "Lord Yoots Cup"*

The major restoration project of the official cup of the Great Northern Yoot Shoot is now complete. As it is known in sports circles, "Lord Yoots Cup" underwent extensive base restoration and rework. The Artist (Richard Rots) commissioned for the project didn't take lightly of his task. Mr. Rots suffered a serious set back that almost ended his career when the bottom base "exploded" while highly skilled work being performed on a lathe went awry. Major damage occurred in his studio when pieces of the project flew about the room at high rates of speed. Mr. Rots suffered minor injuries and was visibly shaken. With little time to recuperate, he was back on the job finishing what he had started. The craftsmanship is evident, and his fine observance to detail should carry the cup through to the next century.

## Show me the Money

The deadline for the final payment is Friday August 30<sup>th</sup>. Final payment amount due is \$145/person. Payments can be made by check to the address shown in the lower left corner or by credit card online at the Yoot website. Please allow 5 days if sending by mail.

## Yoot Banner

*Banner to grace the entrance of Boyne*

Your gracious Board of Directors has agreed to donate the funding for a Yoot Shoot Banner that will be used at our future venues! The 3' X 8' banner will let you know that you are in the right place, and let everyone know that "Yoots are in the house"! Check it out when you arrive!

## Tee Times

The time is getting close as all the Yoots gather on the first tee waiting...waiting ... waiting because YOUR group is missing! Don't let this happen to you! The tee times for the Friday round are posted on the website under "Event Info" / "Teams and Tee Times". Some have changed in recent weeks due to a change from Boyne concerning the amount of time between tee times. So please check back for your tee time before the event to confirm it has not changed.
