YOOT SHOOT POST

Just Go To The Cup

Mountain Ridge #5

Get a good look at the hole
above...study it closely...look at the
contours of the green Picture your
perfectly hit shot gently gliding through
the air right toward the pin, landing
softly on the green and rolling right into
the cup! But instead of just giving high
fives to your playing partners, you
immediately start screaming at the top
of your lungs, wildly jumping up and
down, and then do somersaults all the
way down the hill to the green. All
because you have just won \$5000!!!
That's right, a Hole-In-One on the
signature hole #5 at the Mountain Ridge
Course will make you \$5000 richer (or
poorer since you'll have to buy 84
people a drink in the clubhouse)! The
Mountain Ridge course will be played
on Saturday at the Yoot Shoot.

More Yoots, Your Honor

The Yoot ranks have topped out at 84
participants and 6 non-golfers for 2003,
filling the complete hotel and studio
accommodations at Crystal Mountain!
However, we are still in need of a few
more golfers to fill out some foursomes.
Please have additional golfers contact
Yoot Shoot Headquarters at
ceo@yootshoot.com.

Just One More Night

Betsie Valley hole #9 in fall colors

Response has been very good for those
of you who will be staying the Thursday
night before the Yoot Shoot and taking
advantage of the free certificate good
for one round of golf on the Betsie
Valley course. About half of the group
have reserved their rooms for the
Thursday night stay. The rate of \$79.00
per room is a special price being offered
to the group. (This is per ROOM, not
per person) Crystal Mountain has
informed me that they will now collect
this additional money when you check
in on Thursday, and I will NOT be
collecting this money with the final
payment as previously stated. Upon
check-in, Crystal Mountain will imprint
one credit card from each room for any
incidental charges to the room during
the weekend and to cover the extra
nights lodging.

If you are interested in coming up for
the extra night and golfing on Thursday,
please let me know before August 8th, if
you haven't already. This is a great
opportunity to use the free certificate.
The certificate is good for one year but
cannot be used on Friday, Saturday or
Sunday of the Yoot. So if you don't use
it Thursday, you will be making another
trip up to use it.

We currently have blocked tee times for
the extra Thursday round starting at
11:03am and continue to 1:18pm. If
you have a problem making the early
start time Thursday, contact me and I
will arrange a later time. Other than
that, I will assign tee times for those
playing on the Thursday round.
