YOOT SHOOT POST

Go For Throttle up

Proshop at the Kinlochen Lodge

Well...this is it! The moment you all have been waiting for! In just a few days we will all make our annual pilgrimage up north for the Yoot reunion. I do want to remind everyone playing Thursday, that your tee time has been posted on the website under the "Teams and Tee Times" page. Also, the Fri. / Sat. starting hole numbers can be found there. Please be ONTIME, especially on Fri. / Sat.. I would like you at the course 30 minutes (min.) before our tee times, as they will start to assemble everyone at the proshop area 15 minutes prior to our tee-time for the shotgun start. So if you plan on using the free use of the practice facilities prior to our round, I recommend that you be there at least an hour early. It will be crowded on the practice tees with a large group like ours.

Skins and Feast

Each round (Fri. / Sat.) will feature a Skins Game as well as the now famous Feast or Famine Game. The cost is \$10/person per day. (The Entire team must enter each day) There is a possible \$420 pot for each (each day) if everyone gets in. For those that don't know, a Skin is won when your team shoots a score on a hole lower than any other team. Feast or Famine pays out if you land your ball on the green of the

designated par 3 hole. Winners of Skins and Feast or Famine split the pot each day. Please see Rick Rots PRIOR to the start of the round each day if your team wants to play. You cannot sign up for either once the round has started.

Drive/Putt For Doe

Betsie Valley #18 (8/20/03)

Attention Yoots! We are pleased to announce that this year we will be holding our first annual **Putt Fore Doe Challenge**, where 4 lucky Yoots will be attempting to hole a 40 foot putt. Each contestant, if they sink it, walks away with **\$2,500** smackers!

In addition, this year we have added a **"Team" Long Drive Competition**, to be held after the last group comes in on Saturday. In essence, you are only as good as your team collective distance (the combined yardage from all 4 tee shots). You have to keep it in the fairway to help your team. Straight is Great! Long and wrong is noooo good. The winning team will walk away with fabulous, individual prizes. Your team **must sign up** to compete; participation in this event is voluntary.

I want to thank our friends at **3-Dimensional Services, Inc.** for their generous donation!
