### Yootshoot Facts

The Tamaracks GC in Harrison  
hosted some of the early Yoot  
Shoots. This was the only dirt  
path golf course played in the  
Yoot Shoot. However, it is a  
terrific layout with challenging  
holes and was a favorite  
among those early players.

# YOOT SHOOT POST

## Anticipation.....

*Crowds gathering for the 2003 Yoot*

The crowds swell, as a quiet hush falls over the gallery. A bead of sweat forms on your brow as you lean over your ball for a putt to win the 2004 YOOT SHOOT! You slowly pull back your putter and as precise as a grandfather clock pendulum, you strike the ball towards the hole. In the distance you see the ball curving on a perfect arc, slowly rolling right at the heart of the cup. The crowd noise increases in volume as each revolution of the ball gets closer to the cup...at only inches away, the crowd has reached a feverish pitch....suddenly you awake, sitting straight up in a hot sweat, tangled amongst your damp blankets screaming "GO IN BITCH"! Startled, with your heart pounding in your chest you realize it's 3am and you have to get up for work in 3 hours. Sometimes life just throws you a curve now and then. But not to worry, it all may come true in just a few more days! Start packing your bags...The 2004 Yoot Shoot is finally here!

Your information packs will be handed out 45 minutes before our tee time on Friday (11:00am Shotgun Start). Please be at the course no later than 30 minutes before our tee times as they will start to assemble everyone 15 minutes prior to heading out on the course. If you plan on using the FREE use of the practice

facilities prior to your round, I recommend you be at least an hour early...it will be crowded with our large group.

## Treetops North?

*Yoots gather on the Smith #18*

For Thursday & Friday rounds, we will assemble at the "Treetops North" Pro Shop located a short drive (about 5 miles north) up Wilkerson Road from the lodging where you check in. This is where both the Fazio (Thursday) and Smith Signature (Friday) courses are located. The Jones Masterpiece, which we play on Saturday, is located very close to the main lodge at the Treetops main facility (where you check in at). Carts will be assembled with your team names on them, along with your starting hole number. (starting hole number will be the same both days)

*Treetops "North" Clubhouse*

## Skins for a Feast

Each round (Fri. / Sat.) will feature a Skins Game as well as the now famous Feast or Famine Game. The cost is \$10/person per day (\$20/person for the weekend). The entire team must enter each day if you wish to participate. (no individual entries accepted) There is a possible \$1040 pot for each (each day) if everyone gets in. For those that don't know, a Skin is won when your team shoots a score on a hole lower than any other team (no ties). Feast or Famine pays out if you land your ball on the green of the designated par 3 hole. Winners of Skins and Feast or Famine split the pot each day. Please see Rick Rots PRIOR to the start of the round each day if your team wants to play. You cannot sign up for either once the round has started.

## Who Rules

Your Yoot "Goodie Bag" will contain Yoot goodies as well as the highly respected Yoot "Covenants" handed down from the Royal & Ancient Yoot Lord. All of the rules are explained in these "Covenants" including how to play the "talent" holes. All players, especially Yoot rookies, should read all the rules before starting and leaving the cart assembly area. A meeting with designated team captains will take place before we leave to the course for a brief explanation of the rules and a chance to ask any questions or clear up any uncertainties. We ask that everyone abide by these rules and play fair.

## Are we there yet?

*Gathering for a long drive*

Through a generous donation, we will be holding a "**Team Long Drive Contest**" on Friday following our round! This is the second year for this event and I can tell you first hand that the winners receive **FIRST CLASS PRIZES**, so don't MISS OUT! (Check out my new Tour Style Golf Bag!) A combined yardage of all four team members is used to calculate the winning team. Only the balls landing in the designated fairway will be counted, so keep it straight and long! (only DRIVERS may be used) Each team has been designated a "Driving time" and is listed in an attachment included in your Yoot Goodie Bag. Please have your team warmed up and ready to go at the time listed for your team. If inclement weather strikes, this event will move to Saturday.

A BIG thanks to **3-Dimensional Services** for this generous donation!

*Yoots discuss driving strategies*

## Thursday T-Times

*Unruly mob waving "Hi" to camera*

Tee times for the pre-round on Thursday are listed on an attached sheet. (See pages below) Please make sure you check-in to the pro-shop at least 15 minutes before your designated tee time. These tee times have been reserved, so if you do not show up, you will lose your "Free round certificate".
