

# HAT TRICK!

Sponsored by 3 Dimensional Services

To be played during the Saturday Round on The Gailes!

## DETAILS

The object of this “Hat Trick” is for your team to land a ball on the green of ALL (4) par 3 holes during the round on The Gailes. If more than one member of your team lands the green, choose the shot which is closest to the pin, but at least one ball must land to rest on the green. (Not the fringe / collar, etc.) In the space provided, mark the name of one team member that landed on the green for that particular hole.

Team: \_\_\_\_\_

Hole Number	Name of Person to land the Green
Hole #2	
Hole #4	
Hole #12	
Hole #16	

If your team has completed the table above with ALL (4) greens landed, you win a hat for all four team members AND qualify for the GRAND PRIZE where one team will be randomly picked from the group of qualifiers and will be awarded the Grand Prize! The drawing will be held during the Awards Presentation on Saturday night, after dinner.

If your team has hit all four greens, make sure the table above is complete and turned in with your scorecard at the end of the round. It must be turned in with your scorecard to be eligible. Good Luck!
