#### **Yootshoot Facts**

Bill "Quarter Bounce" Fenwick  
once drove 50 miles to buy a  
ping pong table to liven a  
rained out Yoot crowd.

The Freddy G Memorial hole  
was named in memory of Fred  
Gomez for his wily way of  
"Skulling" his chip shots 30 yds.  
over the green, while laughing  
at his perfect "cut shot"!

# YOOT SHOOT POST

On the tee since 1998: For the betterment of the game...if that's what you call it

## Info Detective

We have a little over two months before the event and I am missing information that I need to complete the registration process with Lakewood Shores Resort. I am missing team members (real) names, Team Names, if you will be golfing Thursday, and if you will be staying Thursday. Lakewood Shores would like me to "Shore" up this information. Although I did receive this information from a few people, I did not hear from a lot of people concerning the Thursday golf and lodging. Please confirm back with me if you plan to golf Thursday and/or need a room Thursday.

If you are on a team that either did not pay for all the players, or did not have all of their names, please contact me with their names as soon as possible. Shortly, the rooming list needs to be turned in, and those teams missing people may be combined into rooms to make up the Quad occupancy (or additional charges will apply)

## The Final Curtain

The Final payment date has been changed from August 19<sup>th</sup> to August 26<sup>th</sup> giving those persons who paid only the deposit, another week of reprieve! Please have the payments to me NO

LATER than August 26<sup>th</sup> (in my hand). See the Yoot website for payment information. (pay online link)

## Drivin' in Reverse

New this year will be a talent hole that I'm sure will "Drive" everyone crazy. The "Reverse T-Bone Drive" hole will require all of the ambidextrous skills you can pull from your frontal lobe. The hole will require you to hit your drive opposite handed from your normal swing! The drivers will be supplied on the tee to make it fair for everyone. There will be a Women's & Men's reverse long drive award for driving the farthest in the fairway for this hole. You will also have to pick one of these drives to continue the rest of the hole with...thank god you only have to hit the drive backwards! I suspect shortly after reading this there will be a mad rush to the local driving range... (I hope you're the only one there!)
