YOOT FACTS!

- "Pink Ball" play was established in 1993 and ended in 2004 due to the slow play it contributed to our round.
- The Yoot Shoot used to brew its own beer for the tournament in Downtown Rochester. "Yoot Brew" was highly potent and caused massive hangovers. See the labels below!

In 2006, It's Back to Our Old Bag of Tricks!

Clubhouse, Proshop & Restaurant at Grand Traverse Resort

With the final payments all received, most of you will be pleasantly surprised that 48 Yoots will be making the trek to Traverse City when the leaves start falling in October! This is HALF the normal count of people, making this a "Back to Our Roots" kind of year. I'm not going to speculate on why this happened, but for those of us going this year, it is going to be a great (smaller) group! It will be nice to actually TALK to some of you again! Grand Traverse Resort will provide a tremendous venue for us. Thank-you to all of you that paid on time!

Additionally, almost ALL of those that will play this year will be going up for the Thursday Night stay and most of those will be taking advantage of the free round on the Spruce Run course.

The Yoot Shoot hasn't had less than 48 people since 2000 when the Drunk Drivers were in their "Dynasty Reign". 2000 was the year that the Yoot Shoot first went "On the Road", leaving the Gladwin / West Branch area for the first time, playing at Thunder Bay Resort in Alpena. There were many "firsts" that year...Our first "Snow Delay", our first "Champagne on the fairway" and the first car driven down a fairway by one of our members. Since then we have visited some of the best resorts in Michigan. This year will surely be one of the best venues to hold the Yoot Shoot and come October many "ex" Yoots will be feeling a HUGE loss.

I do want to remind everyone that we have until the end of August to make any adjustments to your team. After that, there are no refunds from the resort.

A contingent of Yoots will visit Grand Traverse Resort in Late August to scout the location and gain any useful information on Bunker Location, Green Contour, Distance marker accuracy & of course where to find the coldest beer. All information will be considered "classified" and kept only to those that go...every little bit helps! ☺ Let the games begin!

In the coming months, more information will be forth coming about the event so stay tuned and be sure to check the website for additional information.
