Bay Leaves in Bay Harbor?

Is that wood in your pocket or just enough golf balls to play a lakeside golf course? Hopefully, it's the golf balls because you're going to need them! The 2010 Yootshoot will be hosted by Michigan's everlasting, premier golf resort, Boyne Highlands. As we make our return to one of our favorites, we have a spectacular course line-up in store for you... Bay Harbor Golf Links and The Arthur Hills course at Boyne Highlands.

Perched atop a bluff overlooking Little Traverse Bay – Bay Harbor Golf Links

With too many accolades to name between both courses, they will provide the perfect autumn setting and the challenge we've come to know the last few years. The first round of the 2010 Yoot Shoot will be played at Bay Harbor Golf Links on Friday, Sept. 24th! Following that on Sept. 25th, we will play The Hills Course at Boyne Highlands! OK, so NOW you have wood in your pocket...dig deep into your pocket, the money is due July 1st.

A Date With Destiny

I lost Destiny's number, but she doesn't golf anyway. However at Boyne Highlands we all golf! The Holes-N-Poles group is still trying to dry out our equipment from the 2 hours of 30MPH sideways rain during our round at Arcadia Bluffs last year, so we thought it best to move the Yootshoot dates up one week (Plus Boyne Highlands didn't charge us anything extra to do it!)

So mark your Calendars - the Yoot Shoot dates are **September 24th & 25th!!!**

Bringing the Yoot cup to the top

YOOT FACTS!

- If your group went out in a sideways driving rain at Arcadia Bluffs last year, you endured the heaviest rain the Yoot Shoot has ever had to play in.
- Crystal Mountain's outdoor firepit sets the Yoot record as the biggest gathering around a gas fired outdoor firepit following a round of golf in the Yoot Shoot. A record was also set at this firepit for the most beers passed THROUGH the fire of a firepit.
- Besides Crystal Mountain, Boyne Highlands is the only other Yoot Shoot host site that offered a chairlift ride.
- The Yoot "Throw" that can be used once per nine only OFF the green, used to be able to be used ANYWHERE on the course including the green. Back then most of the "throws" were used to drop the ball into the cup if you were within an arms reach.
- The "Single Barrel Sippers" had the longest drive last year. They drove close to 1600 miles to get to/from the 2009 Yoot Shoot (by car).
